## SET WORLD MARK AND FLY

### CULTURE IN A CORNFIELD—IT'S AT U. OF IOWA

First of Chicagoland Campus Series.

During the brief morning session on a more profitable and pleasant basis for the student than the traditional lecture, the University of Iowa, in a series of lectures, presented a series of lectures on the history of the corn, its uses, and its importance to the world. The lectures were given by a series of experts in the field, and were held in a large hall, which was filled with students. The lectures were held in a series of sessions, and were held in a large hall, which was filled with students. The lectures were held in a series of sessions, and were held in a large hall, which was filled with students.
